January 2016

Dear Parents/Guardians:

Your son or daughter will be a part of the Class of 2021 that will be entering West Campus in August 2017. The faculty, staff, and administration at West Campus want you to know that we are looking forward to welcoming our new ninth graders!!

On Wednesday, Thursday, and Friday, January 11, 12 and 13, all 8th graders who will be attending West Campus next year will be coming to our school for an orientation session during the school day. The primary purpose of this special event is to introduce our new freshman class to our school and our staff. The West Campus counseling team will be presenting information regarding the registration process, and in addition, members of our Student Leadership Team will be taking students on a tour of the school building and presenting information regarding the outstanding co-curricular opportunities we have at West Campus.

We know that parents also need information regarding the transition to high school for their child. With this in mind, parents and students are invited to an evening orientation session on **Tuesday, January 17 at 7:00 pm**. During the evening orientation event, counselors will present information regarding registration, building tours will be available, and selected teachers will be present to answer questions about the courses they teach. **Parents should plan to meet in the auditorium, and students will report to Buckner Gym on the second floor.** You and your student will also be able to participate in our Culture Fair. Coaches and Advisors will be on hand to answer questions regarding the many outstanding activities here at McHenry High School.

Any students and parents who are interested in learning about AP Geography should plan to meet in the auditorium at 6:15 p.m. Any parents who do not attend this meeting will be required to attend the New AP Student Meeting on February 28, 2017 at 7:00 p.m. in the West auditorium.

Please mark your calendar and plan to join us on Tuesday, January 17 at 7:00 pm for the evening orientation session. We sincerely look forward to meeting!

We are also pleased to welcome our Spanish speaking community to our Spanish orientation in the West Campus library at 6:45 pm.

Welcome to West!!

Sincerely,

Marsha Potthoff
