

Teacher Assistant in Education & Technical Careers

On-Campus, 1 Period Experience, 1 Year 1 Credits or 1 Semester 1/2 Credit

Prerequisites:

- * Minimum Sophomore standing*
- * Successful completion of Warrior Opportunities for In-school Service (formerly ISICS) or teacher recommendation/need.*

This is a one semester or one year course designed for students who seek a more rigorous and relevant experience assisting teachers or tech staff in our schools. Students must meet qualifications and have a teacher signature interested in working with them.

Students will be expected to assist with important tasks in education or technical careers such as tutoring or assisting tech staff with essential job functions. Students will be asked to keep a journal of class activities and turn in a culminating assignment.

Complete back section and submit to counselors on your day of registration.
